

HELP WANTED / Note From The President

Do you have any interest in being our website administrator and/or writing, laying out, and publishing articles on our website? In order to maintain communication with our members and the public, we need one or more club members to help out with these critical functions. As the club president, I've been doing most of the webpage and newsletter work, but really could use some help. A volunteer organization can only remain relevant if its members are willing to volunteer. Please contact me at run@centralmainestriders.com if you can help.

“Ask not what your running club can do for you, but what you can do for your running club.” — Multitudes of past and present running club presidents

Your club president,

Ryan
