Club Social Run and Trivia Night

On Thursday, July 7, we will meet at Bigelow Brewing at 5:15pm for a 3-ish mile run following by socializing. Bigelow has a nice outdoor area so we don't need to worry about being smelly. They also have good beer and pizza if you would like to partake. Trivia will start at 6:00 if anyone wants to stick around for friendly competition.

Third Time's the Charm

(Alternate title: An Aging Runner - The Struggle is Real)

Read Strider Amy Stabins's inspiring race report about her preparation for and running of the Sugarloaf Marathon. You could say that it was a marathon journey for her to get to the start line and to run her first marathon at Sugarloaf. To read her report, click below:

Mount Washington Race Report

Once again, the Striders sent a team to run up "only one hill" in New Hampshire. For only the second time in Mount Washington Road Race history, the race only ran halfway up the mountain due to bad weather at the summit.
